

Model PA91

Swimming Pool Pump

Features

- This high performance, medium head pump comes complete with an industry standard Carbon/Ceramic 5/8" mechanical seal for convenient replacement.
- Pump parts are made of 100% recyclable plastic. Non-corrosive, chemical/UV resistant, and can withstand temperatures of up to 150° F.
- Suction and discharge ports are equipped quick disconnect unions. Provided with a standard 1.5" slip and 1.5"/ 1.25" hose adaptor connections. (Optional 1.5" NPT connections also available.)
- For pool users' safety, the impeller has a dielectric shaft sleeve that provides absolute separation between pool water and electric parts.
- Specially constructed clear lid with ring lock design is easy to open. Large strainer basket is always locked in place.
- Optional 4" high base is available.
- Pump is equipped with durable, special 48 frame thru-bolt mount energy efficient PSC motor with stainless steel shaft.
- Pump has a standard 3 ft. 3/12 AWG cord set pre-mounted. A variety of other cord sets are available.
- The Model PA91 comes complete with a full 2 year warranty.
- Every pump is performance tested before leaving the Speck factory.

Model PA91-III

Applications

- Perfect for small in-ground pools and a upgrade for above-ground pools.
- Residential pools
